Business Travel Accident Insurance

At Everest, we understand the need and desire for business travelers to connect in-person and its importance to an organization's growth and long-term success.

Our Business Travel Accident Insurance provides access to 24/7/365 travel and medical assistance services whether domestic or abroad. We are there for your employees regardless of destination, disruptions in travel, potential accidents, and/or illnesses, giving them peace of mind and security during their travels.

Our offering

- ✓ Breadth of coverages and benefits to customize a solution to meet your unique needs for domestic and/or international travel
- ✓ Additional packages for small to mid sized employer groups needing protections, without customized solutions due to less frequent travel exposures
- ✓ Inclusive global protection combining insurance protection and travel, medical, and security assistance services
- ✓ Worldwide, 24/7/365 travel and medical assistance services, including both pre-and-post departure and destination country information

Client profile

- ✓ Employer groups, regardless of size
- ✓ Non-employer organizations needing travel coverage for their traveling guests, volunteers, missionaries or contract workers
- ✓ Spouses and dependent children of employees when accompanying during business travel and/or family relocation trips
- ✓ Board members and/or guests of employers during employer-paid and sponsored travel

Our differentiation

We provide you with a robust service experience, with the help of our global partners to provide complete benefit solutions. Our goal is to be your partner throughout the life cycle of your account with us, providing you with great benefits and a white glove customer service experience.

Policy exclusions and limitations

Policy exclusions and limitations vary based on state regulatory requirements. For a complete list of coverages and benefits available for both of our Basic and Catastrophic Accident Insurance plans, we recommend you contact our authorized representative for an understanding of your state of policy issuance.
