Risk Management

We provide clients with flexibility and a broad array of program designs and collateral solutions, as well as loss control and claims services. Everest Insurance® specializes in clients with at least one line of business that generates annual expected losses of \$2M (USD) or greater and those that require a more customized approach to pricing, structuring, and financing their exposures.

Our offering

Everest Risk Management can provide monoline or multi-line primary casualty programs covering:

- ✓ Workers' Compensation
- ✓ Commercial General Liability
- ✓ Commercial Auto Liability
- ✓ Products and Completed Operations

Coverage features

- ✓ Broad underwriting appetite
- ✓ Bundled and unbundled claims utilizing marketing leading TPS's
- ✓ Few excluded classes
- ✓ Deep risk engineering capabilities
- ✓ Flexible program design
- ✓ Multiple collateral alternatives

Recent successes

We have successfully bound both guaranteed cost and large deductible business in a diverse group of industries, including:

- ✓ Retail services
- ✓ Food processing
- ✓ Higher education
- ✓ Heavy manufacturing
- ✓ Healthcare
- ✓ Aviation staffing and security
- ✓ Restaurant and hotel chains
- ✓ Wholesale/distribution
